SHORTHORN BULL SALE

Saturday, February 17, 1968

BRANDON, MANITOBA

There is more and wider spread interest in this sale than in any other Shorthorn sale throughout the year. Each year the sale day crowd is the largest of the season. Above is a portion of the crowd from a previous sale.

CANADIAN INTERNATIONAL

SHORTHORN BULL SHOW and SALE

WINTER EXHIBITION GROUNDS

BRANDON, MANITOBA

Saturday, February 17, 1968

63 BULLS

Consigned by 34 leading herds from four Canadian Provinces and
The United States.

GENERAL SALE INFORMATION

TIME AND LOCATION — Saturday, February 17, 1968. Brandon Winter Fair Building, Brandon, Manitoba. This is located in the town area close to hotels.

SHOW: 8:30 a.m. Judge: John Shuman, Byers, Colorado.

SALE HEADQUARTERS — Prince Edward Hotel, Brandon. Make reservations directly to G. Laliberte, Mgr., indicating you are attending the Canadian International Bull Sale.

HEALTH — The cattle will be sold in compliance with the Health Regulations of the Dominion of Canada and this will make the animals eligible for entry into the various provinces and to cross the U.S. border. Since several states have special requirements all buyers should be aware of their own health regulations, any special requirements, etc. as all sales are final.

TERMS — The terms of the sale are cash unless other arrangements are made in advance with the consignor from whom you purchase. Checks are to be handed to the clerk of the sale immediately at the conclusion of the auction. All stock will be at buyer's risk as soon as bid off.

INSURANCE — Insurance will be available at the sale.

GUARANTEE — The cattle will be sold under the guarantee which is printed in full elsewhere in the catalog. Where footnotes appear in the catalog they were furnished by consignors or written from information supplied by the consignor.

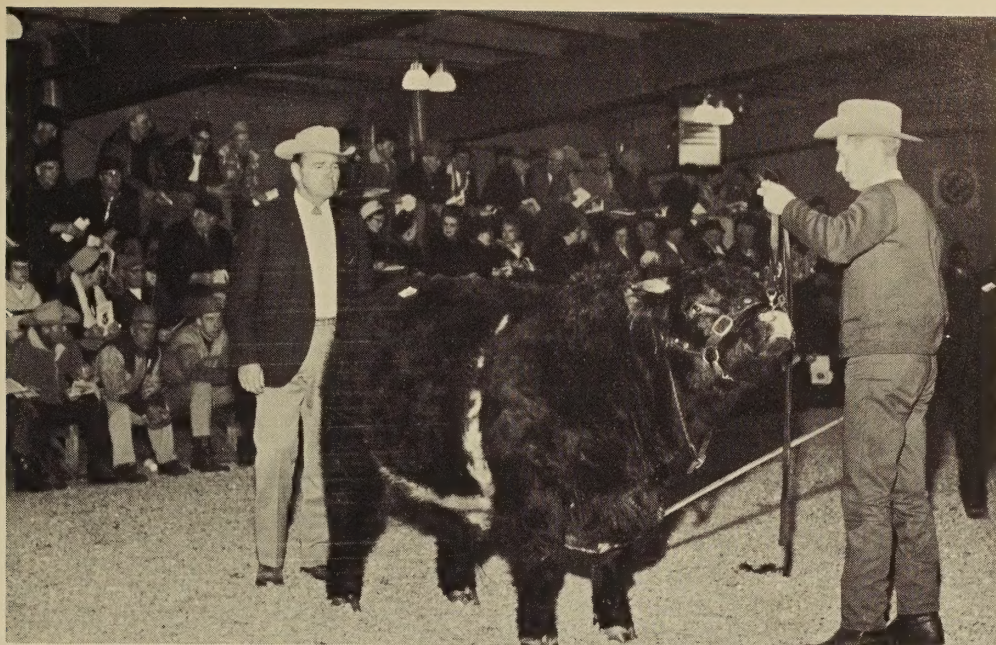

Canadian Shorthorn Sales Inc., sponsors of this event, or the individual consignors cannot be responsible for any accidents that may occur. Every person attending must assume risk of injury to himself. The guarantee shall constitute a contract between the buyer and seller of each lot. Neither the sale manager, nor the auctioneers, nor the clerks assume any liability of any kind. They were employed by Canadian Shorthorn Sales Inc. for specific tasks, promotional and clerical and have nothing to do with the handling of the cattle or the condition of the premises. The sale manager can assume no liability for the fulfillment of guarantees or errors in health papers.

Recording in the U.S. Herd Book — The special fee levied by the American Shorthorn Assn. on animals imported from Scotland, their sires, dams, etc., where applicable to cattle purchased in this sale by U.S. buyer will be paid by the consignor. All other cattle will be transferred to the new owner in the Canadian herd book and it will then be the responsibility of the U.S. buyer to pay the additional \$10 fee required to transfer from the Canadian to American herd book.

BY-BIDDING — Any consignor proved to have been "by-bidding" will be barred from all future participation in the Canadian International Bull Sale.

MINIMUM BID — Any bull not receiving the minimum bid of \$400 will be withdrawn from the sale ring.

SALE MANAGER — Harris Simons, 16 S. Locust St., Aurora, Ill., U.S.A.

John Shuman, Colomeadow Shorthorn Ranch, Byers, Colo., will again judge the Canadian International Bull show. Shuman is an acknowledged cattleman. He is pictured above as he selected Remitall Banner as the grand champion bull 1967 Canadian International Bull Sale. Shuman, along with Davison Ranch, Elizabeth, Colo., later purchased this bull in the sale at a record breaking \$8,000. Remitall consigns five outstanding bulls to the sale again this year.

GENERAL INFORMATION

Getting to the sale . . . excellent highways and rail service to Brandon. By plane your best connection is to Winnipeg. One plane leaves Winnipeg for Brandon at 7:15 a.m. and arrives at 7:55 a.m. No planes operate on Saturday or Sunday. W. W. Donaldson, Reford Gard-house, or Harris Simons will be on hand in Brandon after Thursday morning. Write or wire them c/o Prince Edward Hotel or leave mes-sage for them with Mr. G. Laliberte, Mgr. Prince Edward. You will miss too much . . . and barely make the sale . . . if you plan to arrive Win-nipeg as late as sale day morning. If you have time, there is rail and bus service from Winnipeg to Bran-don.

Returning . . . train out of Bran-don at 3:40 p.m. This will continue to Eastern Canada and also arriv-ing in Winnipeg 6:25 p.m. connects with trains arriving Minneapolis 6:30 a.m. Good air connections from Winnipeg in all directions.

Want to come in your truck? In this way you can load your bull out and head right home. Arrangements are being made to have the U.S. border open at Dunseith, No. Dak. (just 45 miles south) from 6:00 p.m. Saturday evening after the sale for several hours so you can go through. It will not open again until Monday morning. All health papers will be in order so cattle can go to the U. S. immediately.

Sending for your truck? A night watch will be available through Monday evening if necessary so if you wish you can send for your truck after the sale. After Monday we will help you make special ar-rangements for care of your cattle at the farm of some dependable

nearby Shorthorn breeder. Good truckers are available in the Bran-don area and it is a major point. Stan Durnin, Shorthorn breeder at Brandon has a truck available for delivery of bulls after the sale for any buyer who wishes to use the service.

We will work with you. Although it is never possible to predict, past experience indicates cattle will move in all directions. We will try our best to help you arrange group shipment most of the way home.

Telephone: The arena office tele-phone number is PARKway 9-1476.

Mail Bids: The following represen-tatives will be attending. You may send bids to them or to consignors. These men may be reached at the addresses given or the evening be-fore the sale at The Prince Edward Hotel.

E. H. Stoltz, Secy., Canadian Short-horn Association, Gummer Bldg., Guelph, Ontario.

C. D. Swaffar, Secretary, American Shorthorn Assn., 8288 Hascall, Omaha, Neb.

Neil Muir, Secretary, Manitoba Shorthorn Club, 115 Third St., N. W. Portage, La Prairie, Mani-toba.

Harris Simons, The Shorthorn World, 16 South Locust St., Aurora, Illinois.

Gene McDonald, The Shorthorn World, 16 So. Locust St., Aurora, Illinois.

J. R. Blacklock, Auctioneer, 1008 8th St., East Saskatoon, Sask.

Al Hamann, Rock Rapids, Iowa.

Casey Anderson, The Westerner, 210 Somerset Bldg., Regina, Sask.

Reg Forbes, Manitoba, Dept. of Ag-riculture, Brandon, Manitoba.

Dr. R. H. Best, Health of Animals Division, Box 175, Brandon, Man.

Wilfred A. Davis, beef cattle field-man, Manitoba Department of Agriculture, Dauphin, Man.

The city of Brandon and its Hon. Mayor Magnacca are wholehearted in their support of the Canadian International Bull Sale and each year their cooperation and help are greater. Once again His Worship Steven Magnacca will open the Canadian International Bull Sale at 12:30 p.m., Saturday, February 17.

WELCOME

It is a sincere pleasure to welcome you to the seventh annual Canadian International Bull Sale. This auction, founded by Shorthorn Sales, Inc., was intended to be "A Perth of North America." The four previous sales held in Brandon have seen 207 bulls sell for nearly one quarter million dollars at an average well above \$1,000. These figures indicate that our goal is being attained. We feel this year's offering is the best one yet.

The main purpose, however, of this introduction is to thank all those from the various Provinces and States who have helped the sales committee in accommodating, selecting offerings and arranging the many necessary details. Their assistance has gone a long way in making these sales the success they have been.

Also, we wish to thank the Mayor, aldermen, their associates, and the people of Brandon who have been so hospitable and generous in both a material and friendly way.

N. D. HOGG, President

SALE COMMITTEE

S. G. Bennett

Reford Gardhouse

Roy Philp

Indicative of the tremendous stock bulls offered in this sale is this class from the 1967 event. Note the size, substance and character of the entries. The 1968 consignment promises to be the strongest yet.

A MESSAGE FROM THE SALE MANAGER

No Shorthorn Bull sale anywhere in the world can compare with the Canadian International. It is a pleasure to work with the conscientious consignors who annually save their best for this sale. They are the main reason that this sale has continued to grow and is firmly entrenched as one of the major events of the breed.

The mere fact that 207 bulls have grossed \$224,205 for an average of \$1,083 in the four sales held in Brandon, is an indication of the quality of the bulls offered. True, there have been some top-priced bulls, the record is \$8,000, but there have also been many bulls sold well within the range of the quality minded commercial man.

We feel the sale is attaining its goal of being The Perth of North America. The offering this year should further the good reputation of the sale. If you are looking for big, stout, sound Shorthorn bulls that are backed by the strongest bloodlines of the breed then you should plan to be present February 17.

We look forward to having you with us sale day. Please feel free to call on any member of the sale committee or sale staff for assistance.

Sincerely,
HARRIS SIMONS, Sale Manager

ABERFELDY HEADMASTER — Aberfeldy Editor was second to the 1964 International supreme champion. He is now in service at Creek Farms, Liberty, Ind. He is a full brother to Drum Major, senior herd sire for Roger Applegate, Oakland, Iowa, and a maternal brother to Aberfeldy Gold Dust purchased by Lewisfield and now herd sire in the Dr. A. F. Haight herd in Georgia and Allendale Farms herd in Ontario. Aberfeldy Waterloo Beth 2nd, reserve senior champion of the 1963 International, was a member of the winning get-of-sire and three female-group, the only time shown. Note that six of the breed's most outstanding sires appear in this pedigree.

KENLYN DEFENCE — A bull with the great scale of his sire and grandsire, with a pedigree background it would be hard to duplicate. Aberfeldy Captivator was senior champion at the Chicago International. He is an AAA sire weighing 2,200 pounds and whose breeding record is among the tops in the breed. Captivator sired Aberfeldy Heir, the 1967 supreme champion bull International, Chicago; Aberfeldy Habitant, supreme champion 1966 Royal; Aberfeldy Waterloo Betty, reserve grand champion female 1964 International; International 1964 top junior get-of-sire, pair of calves; and ten All-American nominees. Aberfeldy Buttercup Belle is a big, strong cow, typical of the daughters of Calrossie Forward March that was purchased by J. C. Eller, Culpeper, Va.

BUTTE LEE LEADER 36th x — Will make the kind of a Polled Shorthorn stock bull that will produce the kind of a beef animal the future will demand. He is a dark, even roan with that extra size, length, good-head and smoothness that goes with Leader 21st x progeny. Leader 36th x was the second top gaining bull of all breeds in the 1966-67 Saskatchewan Performance Test Station including 200 bulls of all breeds. He gained 3.45 pounds a day and indexed 128 on a ration consisting of only 43% oats, the remainder a hay-roughage ration. More sons of Leader 21st x are heading top herds in western Canada than that of any other Shorthorn bull and the important factor is they are giving their owners great satisfaction. Leader 21st's daughters have topped the Manitoba and Saskatchewan performance testing station in both gainability and as sale toppers of all breeds. Leader 21st x is presently leased to American Breeders Service where he is considered the best beef bull in their stud. John Scott, Billings, Mont., who is using many Leader sons in his large ranch of 14,000 cattle, bred 1,500 heifers to Leader 21st x in 1967. Leader 21st's size, length and durability have influenced the ranchers so much that more than 50 bulls from this area have been sent to Montana in the last six months. Leader 36th x will be shown at Denver. He is semen checked and is a producer of high quality semen.

THOMAS MAX 50 x — The sire of this bull was the son of the International grand champion TPS Max Coronet 92nd x, which we chose to carry on the old bull's line of breeding. We chose him for his extra size and length, excellent fleshing and fortunately for us he also proved to be a 100% dehorner. He is line-bred to Carona Perfect x, a brother of Carona Fascination x. Carona Perfect x was also a big, long bull. Thomas Max 50 x looks like a big, modern bull and with the breeding behind him, he can't help but breed the same type.

BOA KAE WHITE TORNADO x — A real herd bull prospect with heavy bone, a deep body and a tremendous head and hind quarters. Tornado is a grandson of the great Carig White Cloud x that sired many champions and top-selling bulls. His dam is by the many times champion Rockyford Silver Welcome. We were very unfortunate to lose Tornado's sire Boa Kae Royal Lancer, a bull that weighed 1,600 pounds at 22 months and proved to be a 100% dehorner.

THE PERTH OF NORTH AMERICA

The original purpose of this sale was to give pure-bred breeders and quality minded commercial men a place to come for outstanding Shorthorn bulls. The four sales held in Brandon have seen 207 bulls sold for \$224,205 at an average of \$1,083. This would indicate that bulls have sold for several thousand dollars, but it also indicates that bulls have sold for moderate sums, well within the reach of commercial buyers. Thus we feel the sale will continue to accomplish its purpose.

K R D SPORTSMAN BANNER — This bull is a bit young, but is one of the most promising young herd bull prospects we have raised. His dam was the mother of our 1966 Valley City grand champion and granddam of the top-selling bull in the 1967 Valley City show.

SCOTSDALE ADVOCATE — By Scotsdale Utopia, a former class winner at the International Bull Sale. He was formerly used at Scotsdale where heifers by him have been retained. Utopia's sire is the grandsire of Kelburn Great Event. Advocate is out of a Scotsdale Navarre dam. He has good bone and fleshing. A calf that shows a lot of promise.

REMITALL GOLD EMBLEM — The records of Gold Emblem's brothers speak well for him. The first topped our 1961 production sale and did very well for Cory Scrimsher of Idaho. The second was grand champion at Denver in 1963 and did a great job for Cliff & Mary Hill, Salem, Ore. The third, Remitall Captain Jim topped the 1966 Canadian International to Melbourne Farm where he exceeded a ton on his second birthday. All reports say his calves look great. The fourth is herd sire for Tom Hawkins, Hollister, Calif. Gold Emblem shows as much promise as any before him and is a master for size. We also have a full sister in the herd that looks mighty good with her first calf. To top it all off, the old cow had twin red bulls this fall and they are both good ones. One of them will likely stay at Remitall for a stock bull.

ROTHBURY DYNAMIC LEADER 2nd x — Weaning weight 655 pounds. He is a blend of the blood of two of the greatest Shorthorn bulls in history — Priam Royal Leader x and Calrossie Prefect. Harold Thieman is using a brother to Dynamic Leader 2nd x sired by T P S Coronet Leader 20th, that weighed 2,310 pounds. Ettrick Augusta Nell was the cow we selected for the strongest cow classes ever at the 1967 Royal Winter Fair and is sired by the \$10,000 Scotsdale Marshall. We have been asked to price Dynamic Leader 2nd to many of the best herds in Canada but feel we must put him before the public. If we didn't have T P S Coronet Keystone x, he wouldn't be for sale. We offer two-thirds interest and full possession, but we must reserve show rights for the 1968 show season.

NOTES OF THE SALE —

— GUARANTEE —

1. Proper care must be given by purchaser to protect qualities and health of guaranteed animals.
2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder notice shall be given to the seller within **six months** of date of purchase, or by the time the bull is 20 months of age, if purchased under 14 months of age.
3. When an animal fails to comply with the above guarantee the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proved to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.
4. In the event an animal is returned by the buyer to the seller as a non-breeder the buyer must furnish to the seller a veterinarian's certificate showing that his herd is healthy if such a certificate is required by the seller.
5. Certificates of registry and transfers in the Canadian Shorthorn Assn. will be furnished with each animal sold and all animals are eligible for registry in the American Shorthorn Assn.
6. Shipment will be made as soon as possible after the close of the sale at instructions of purchaser, but at purchaser's risk of loss or injury after animal is purchased.

All animals sold in this sale will be backed by the above Standard Guarantee. All transactions constitute a contract between the buyer and seller of each lot.

Please Note . . . Notices of failure of a bull to be a breeder must be made to the seller within six months of purchase, or by the time the bull has reached 20 months of age, if purchased under 14 months of age.
